Subject Public meetings

Sheila, Rick or Judy,

Do you know yet when the public meetings the first two weeks of June will be scheduled: Anchorage, New Stuyahok, Iliamna and several other places? As it is now I'm flying to Seattle to see my daughter/grandchildren on June 14<sup>th</sup>. I can reschedule it later if need be.  
Sorry to bother you at this busy time.

PS. I was at a Kenaitze Tribal function (local Dena'ina) yesterday and the tribe's environmental coordinator said what a great job Tammi Fordham of the Anchorage offices does for EPA.
